State Programs

New Jersey Start Department of Education

State Board of Education

The New Jersey Department of Education supports schools, educators and districts to ensure all of New Jersey's 1.4 million students have equitable access to high quality education and achieve academic excellence.

Office of School Preparedness & Emergency Planning

State Department of Education

The Office of School Preparedness & Emergency Planning protects the health, safety, and welfare of the school population by providing direct support to schools to establish safe and secure school environments and increasing their capacity to respond in the event of crises.

Website: <https://www.nj.gov/education/security/>

Office of School Facilities

State Department of Education

The Office of School Facilities ensures that every child attends an educational facility in the state that is safe, healthy and educationally enhanced.

Website: <https://www.nj.gov/education/facilities/>

School Safety & Outreach Unit

New Jersey State Police

The School Safety and Outreach Unit fosters ongoing communication and cooperation between the State Police and school districts served by the State Police. They also develop and facilitate traffic safety strategies directed at teen drivers.
