State Programs

State Department of Education

State Board of Education

The Kentucky Department of Education partners with districts, schools, families, students, business and industry, and communities to provide leadership and support to ensure success for each and every student.

Quality of School Climate and Safety

Office of Standards, Assessment and Accountability; State Department of Education

The Quality of School Climate and Safety indicator is one of six indicators in Kentucky's accountability system that contribute to the school's or district's overall star rating.

Safe Schools Program

Kentucky State Police

The Kentucky State Police developed a program aimed at helping all schools respond effectively during an active shooting incident. The program provides four levels of KSP assistance to aid school officials in establishing their own action plans.
