## State Programs

### Missouri Department of Early and Secondary Education

#### State Board of Education

The Missouri Department of Education oversees the Missouri schools and school communities.

**Website:** <https://dese.mo.gov/>

## Safety

**Missouri Department of Early and Secondary Education**

The Missouri Department of Education Safety resources share information about natural disasters and school violence.

**Website:** <https://dese.mo.gov/financial-admin-services/school-governance/safety>

## **Missouri School Safety and Security Resources**

### **Missouri Department of Public Safety**

The Missouri Department of Public Safety provides support for school safety through training, resources and funding opportunities for schools, educators, first responders and others to keep Missouri schools safe.

### **Courage2Report**

#### **Missouri State Highway Patrol**

Courage2Report is Missouri's statewide school violence tip line program that aims to make schools safer by helping school districts and law enforcement learn about school violence as soon as possible. Courage2ReportMO takes CONFIDENTIAL reports involving any public or private school in Missouri with students in pre-kindergarten through 12th grade.

### **Missouri School Boards' Association's Center for Education Safety**

#### **Missouri Department of Public Safety, Missouri Office of Homeland Security and the Missouri School Boards' Association**

Missouri School Boards' Association's Center for Education Safety also offers school safety education on a variety of topics. MSBA's Center for Education Safety is a public-private partnership of the Missouri Department of Public Safety, Missouri Office of Homeland Security and the Missouri School Boards' Association (MSBA). The center is dedicated to enhancing emergency planning, preparedness and safety and security in public and private education—pre-K, K-12 and post-secondary.
