Department of Homeland Security

State and Local Cybersecurity Grant Program (SLCGP)

High
Level of Effort

Deadline: *This grant application window is currently closed. Please sign up to receive email notifications for updates on grant opportunities.*

Description: Provides funding to eligible entities to address cybersecurity risks and threats to information systems owned or operated by, or on behalf of, state, local, or tribal governments. The program enables targeted cybersecurity investments in recipient agencies, thus improving the security of critical infrastructure and resilience of the services that state, local, and territorial governments provide to their communities.

Department of Homeland Security

Homeland Security Grant Program

Low
Level of Effort

Deadline: *This grant application window is currently closed. Please sign up to receive email notifications for updates on grant opportunities.*

Description: Provides funding to assist state, local, tribal, and territorial efforts in preventing, protecting against, mitigating, responding to, and recovering from acts of terrorism and other threats. This grant provides recipients with the resources required for implementation of the National Preparedness System and working toward the National Preparedness Goal of a secure and resilient nation.

Please note: A State Administrative Agency (SAA) is the only entity eligible to apply for the Homeland Security Grant Program on behalf of subapplicants. Due to the nature of the grant

application process, some state application windows may only be open for a limited time or have additional requirements. It is encouraged that any interested subapplicants reach out to their respective SAA contact for state-specific application information.

Department of Homeland Security

Tribal Cybersecurity Grant Program (TCGP)

Medium
Level of Effort

Deadline: *This grant application window is currently closed. Please sign up to receive email notifications for updates on grant opportunities.*

Description: Provides funding to help tribal governments address cybersecurity risks and threats to their information systems. The program provides targeted cybersecurity investments designed to improve the security of critical infrastructure and resilience of the services that tribal governments provide to their members.

Department of Health and Human Services

Human Trafficking Youth Prevention Education (HTYPE) Demonstration Program

High
Level of Effort

Deadline: *This grant application window is currently closed. Please sign up to receive email notifications for updates on grant opportunities.*

Description: Provides funding to local educational agencies (LEA) to develop and implement programs to prevent human trafficking victimization through the provision of skills-based human trafficking training and education for school staff and students as specified in the Frederick Douglass Trafficking Victims Prevention and Protection Reauthorization Act of 2018. LEAs must partner with a nonprofit or Non-Governmental Organization (NGO) to be eligible.
